

### Multistate Criminal Database Search

The Multistate Criminal Database Search has a multi-jurisdictional scope. Sources include, but are not limited to, criminal records from some of the following: state record repositories, county and township courts, departments of correction and probation, sex offender registries and some state-level agencies. This search is not intended to be a complete source of criminal information in the U.S. It serves as a locator to help identify jurisdictions to conduct a county level search. Each source has its own discretionary record keeping methods and policies which result in a limited range of historical records that are available. Sources change without notice. Depth of coverage, coverage dates, location of coverage and frequency of updates vary by source and are subject to change without notice.

OH	OH Dept Development Disabilites Abu	The Ohio Department of Developmental Disabilities ("Department") maintains an Abuser Registry which is a list of employees who the Department has determined have committed an offense. If your name is placed on the Registry you are barred from employment as a Developmental Disabilities employee in the state of Ohio. Because other state agencies require employers to check the Abuser Registry, placement on the Registry also prohibits you from being employed (1) by a Medicaid agency, being an owner (5 percent or more) of an agency or having a Medicaid Provider Agreement as a non-agency provider; (2) in a position to provide Ombudsman services or direct care services to anyone enrolled in a program administered by the Ohio Department of Aging; and (3) by a home health agency in a direct care position and may prevent you from being hired in a nursing home or residential care facility in a direct care position	04-10-2017
